<sup>#</sup> FY 2013 Program is from the FY 2013 President's Budget, submitted February 2012

<sup>##</sup> The FY 2014 OCO Request will be submitted at a later date

**Description:**

This document includes only FY12 funds for C-130 AMP. Funding in the FYDP has been deleted as a result of program cancellation. Due to system requirements, the subsequent budget exhibits contain information reflecting procurements in FY12. However, the Air Force does not intend to procure any of these kits.

This program has associated Research Development Test & Evaluation (RDT&E) funding in PE 0401115F.

This line item funds C-130 AMP which modernizes 221 various mobility air forces C-130 models to comply with FAA/European Air Traffic Management and Navigation/Safety mandates. It also resolves obsolescence and Diminishing Manufacturing Sources issues, standardizes aircraft configuration, and reduces total ownership cost.

C-130 AMP funding in FY12 and out has moved to this new C-130 AMP P-1 line, from the C-130 mods P-1 line.

No FY14 funding requested.

Funding for this exhibit contained in PE 0401115F.
